Can Astrologer predict the future of Devotees.

Krsna to protect the faith of Astrologer he will allow him to predict the future because that is also Vedic science. But not always

Planets are carrying the will of Krsna indirectly through the Law of Karma for those who are not devotees of Krsna.

Planets don't tell the will of Krsna for the devotee.

Astrology is a science that works based on Karma, for devotees there is no Karma

By knowing about the future and take precautions. If dangerous are there are not, we do devotional service. Our acharyas never recommend such things.

Troubles will come arranged by Krsna to make us take His shelter more.

tat te 'nukampāà su-samékñamāëo  
bhuijāna evātma-kātaà vipākam

Devotee takes personal responsibility for his suffering, Because I am not taking shelter of K , he is putting me in trouble to make me remind that I have o take shelter. Karma in this sense means responsibility not Law of Karma. If it is Karma then why he is offering gratitude to Krsna.

King Kulashaker is praying means he don't believe that his future depend on Karma but on Krsna

When we see D's suffering we should take it as an opportunity to help them.

When we see other D's are suffering we should think that Krsna is arranging for him to get Purified and bringing him closer, not because he is doing mistake.

Manasa Vegaà -  
The Urge of the Mind

Patañjali Muni has accepted bhakti-yoga can also regulate mind like Astanga Yoga  
If devotional service is performed for the purpose of regulating the mind it is not PDS

For the practitioner, the urge of the mind is regulated by pure cultivation of favorable devotional service in relationship to Kåñëa.

Krodha Vegaà -  
The Urge of Anger

Anger arises when a man's lust is unfulfilled.

krsna-bhakta-niskāma, ataeva 'sānta'  
"Because a devotee of Lord Kāñēa is desire less, he is peaceful."

Motivated devotional service cannot conquer anger.  
(Lust because of wrong Abilasha)  
For practicing PD (Lust is anartha)  
It is not possible to conquer anger by intelligence alone. - attachment to SG overcomes...

The song of the Avanti brāhmana

etam sa āsthāya parātma-nisthām  
adhyāsītāā pūrvatamair maharñibhiū  
ahaà tariñyāmi duranta-pāraà  
tamo mukundāighri-niñevayaiva

"I shall cross over the insurmountable ocean of nescience by being firmly fixed in the service of the lotus feet of Kāñēa. This was approved by the previous ācāryas, who were fixed in firm devotion to the Lord, Paramātmā, the Supreme Personality of Godhead."

Without parātma-niñōā one cannot cross the insurmountable ocean of nescience.

For householders or for sannyāsés

It is impossible to cross the material ocean by the process of yoga.
