

# Laghu - Bhāgavatāmṛta

## Part-1

### The Sweetness of Kṛṣṇa

#### Chapter-2

Description of the Puruṣāvatāras and  
Guṇāvatāras

# The Gunavataras

# The Gunavataras - Rudra

# The Gunavataras - Rudra

Example of Īshvara tattva śivē  
↓  
Gov transforming into śivē

Text-29

yathā brahma-saṁhitāyām-  
kṣīraṁ yathā dadhi vikāra viśeṣa yogāt  
sañjāyate na hi tatah prthag asti hetoh |  
yaḥ śambhutām api tathā samupaity kāryād  
govindam ādi puruṣam tam aham bhajāmi

Just as milk (kṣīraṁ yathā) is transformed into curd (dadhi sañjāyate) by the action of acids (vikāra viśeṣa yogāt), but yet the effect curd is neither same as, nor different from, its cause, viz., milk (na hi tatah prthag asti hetoh), so I adore the primeval Lord Govinda (govindam ādi puruṣam tam aham bhajāmi) of whom the state of Śambhu is a transformation (yaḥ śambhutām api tathā samupaity) for the performance of the work of destruction (kāryād). Brahma-saṁhitā 5.45

## Srila Baladeva Vidyabhusana

- This verse shows that Śiva, being the Lord, is beyond the guṇas, though he appears to have become transformed by the guṇas.
- Milk gives rise to yogurt, by contact with a particular agent, but the yogurt is still not different from its cause – the milk.
- Similarly Govinda becomes Śiva by accepting a relation with tamo-guna by his own will.
- But Govinda and Śiva are non-different.
- Because the transformation is superficial or apparent, it does not affect Govinda's svarūpa.

## The Gunavataras - Rudra

The other ways in which  
Lōya śhivē bhavīcētā in the  
material realm

Text-30

vidher lalāṭāj janmāsya  
kadācit kamalāpateḥ |  
kālāgni-rudraḥ kalpānte  
bhavet saṅkarṣaṇād api

Sometimes Rudra arises from the forehead of Brahmā (vidher lalātād aśya janma). And sometimes he is born from the forehead of Viṣṇu (kadācit kamalāpateḥ). Kālāgni-rudra appears (kālāgni-rudraḥ bhavet) from Saṅkarṣaṇa (saṅkarṣaṇād) at the end of the kalpa (kalpānte).

## Srila Baladeva Vidyabhusana

- This verse describes the places of Śiva's appearance.
- Śatapatha-brāhmaṇa says that Śiva arises from the forehead of Brahmā and Mahā Upaniṣad and some Purāṇas state that Śiva arises from Viṣṇu's forehead.
- These are descriptions from different kalpas.
- Kālāgni-rudra is described in Bhāgavatam:

pātāla-talam ārabhya saṅkarṣaṇa-mukhānalaḥ  
dahann ūrdhva-śikho viṣvag vardhate vāyuneritaḥ

Beginning from Pātāla-loka (pātāla-talam ārabhya), a fire grows, emanating from the mouth of Lord Saṅkarṣaṇa (saṅkarṣaṇa-mukha analaḥ vardhate). Its flames shooting upward (ūrdhva-śikho), driven by great winds (vāyuneritaḥ), it scorches everything in all directions (dahann viṣvag). SB 11.3.10

# The Gunavataras - Rudra

Who is Sadā-S'iva?

Text-31

sadā-śivākhyā tan-mūrtis  
tamogandha-vivarjitā |  
sarvakāraṇa-bhūtāsāv  
aṅga-bhūtā svayaṁ prabhoh |  
vāyavyādiṣu saiveyaṁ  
śiva-loke pradarśitā

The form called Sadāśiva (sadā-śivākhyā tad-mūrtih) is devoid of any trace of tamas (tamo gandha-vivarjitā). He is directly Nārāyaṇa, the vilāsa or svāmśa of svayaṁ-rūpa Kṛṣṇa (svayaṁ prabhoh aṅga-bhūtā) and is the cause of all causes (asāu sarvakāraṇa-bhūtaḥ). That form is described as dwelling on Śiva-loka (Vaikuntha) (sah eva iyaṁ śiva-loke) in the Vāyu Purāṇa and other scriptures (vāyavyādiṣu pradarśitā).

## Srila Baladeva Vidyabhusana

- Kṛṣṇa is the svayaṁ-rūpa and Nārāyaṇa and other forms are vilāsa and svāmśa forms.
- Some jīvas are āveśa forms.
- From the svāmśa form of Garbhodakaśāyī come Brahmā, Visṇu and Siva. <sup>KṢV</sup>
- These three are forms of īśvara and sometimes Brahmā and Śiva are jīvas.
- This is approved by the scriptures.
- But someone may object as follows. ↓ pūrvā - Pakṣa argument
- “Actually this is not quite accurate. According to the scriptures Sadāśiva is the root form of all others. He expands into the form of Nārāyaṇa and others. Brahmā, Viṣṇu and Śiva arise from him.

## Srila Baladeva Vidyabhusana

- A more authoritative statement, coming from the śruti, the Kaivalya Upaniṣad, is as follows:

By meditating on the supreme lord Śiva with three eyes and blue throat, accompanied by his consort Umā who is inconceivable, invisible, peaceful, with countless forms, eternal, without beginning, middle or end, the one powerful entity, composed of knowledge and bliss, the astonishing person with no form, the sage attains the original source, beyond the material realm. He is Brahma, he is Śiva, he is Indra, he is the indestructible, the supreme independent. He is Viṣṇu, Prāṇa, Kālāgni and the moon. He is all beings who have appeared in the past and who will appear in the future. Knowing him one surpasses death. There is no other path for liberation.”

## Srila Baladeva Vidyabhusana

- The present verse answers this objection.
- The form called Sadāśiva who is without a trace of tamoguna, who is the cause of all causes, is the Nārāyaṇa vilāsa form (aṅga-bhūtā) of svayaṁ-rūpa Kṛṣṇa (svayaṁ-prabhoḥ).
- In the Taittirīya Upaniṣad, the names Nārāyaṇa, Acyuta and Śiva are used to indicate only one person.
- When the Kaivalya Upaniṣad mentions Umā, that word refers to Kīrti, a consort of Nārāyaṇa.

## Srila Baladeva Vidyabhusana

- Trilocana means “one who sees all three divisions of time.”
- Nīlakaṇṭha means “he whose throat is decorated with a sapphire ornament.”
- This must be accepted as the meaning since the context of the verse indicates that the words cannot refer to Siva.
- Quoting Vāyu Purāṇa, Jīva Gosvāmī in Bhāgavata-sandarbhā identifies this form and planet in the same way.

## The Gunavataras - Rudra

Proc of Sadā-sīva from  
B.S

Text-32

Sadā-sīva

tathā ca brahma-saṁhitāyām ādi-śiva-kathane-  
niyatih sā ramā devi  
tat priyā tad vaśamvadā |  
tal līngam bhagavān śambhur  
 jyoti rūpah sanātanaḥ |  
yā yoniḥ sāparā śaktiḥ

Brahma-saṁhitā speaks of the original Śiva who is Nārāyaṇa (tathā ca brahma-saṁhitāyām ādi-śiva-kathane):

Ramā (sā ramā devi), under the control of the Lord (tad vaśamvadā), is self-manifesting (niyatih) and dear to the Lord (tat priyā). The Lord's eternal form is called Śambhu (bhagavān śambhur sanātanaḥ) – whose body is pure consciousness (jyoti rūpah) and who is a portion of the Lord – is a representative of Kṛṣṇa or līngam (tad līngam), and the inferior energy is called the yoni (sah aparā śaktiḥ yā yoniḥ). **Brahma-saṁhitā 5.8**

## Srila Baladeva Vidyabhusana

- This verse describes Sadāśiva (a Viṣṇu form, whose consort is Laksmī or Ramā) who is expansion of svayaṁ-rūpa Kṛṣṇa. This is understood from saying ādi-śiva.

- The rest of the verses in this context are:

Lord Śiva → ①  
Lord Viṣṇu → ②

②  
kāma-bījaṁ mahad-hareḥ

① liṅga yony ātmikā jātā imā māheśvarī prajāḥ ||  
śaktimān puruṣaḥ so 'yaṁ liṅga rūpī māheśvaraḥ || ①  
tasminn āvirabhūḥ liṅge mahāviṣṇur jagat patiḥ || ②

kaṁ

Śambhu develops the desire to see māyā for creating the universes and mahat-tattva (the transformation of prakṛti after being injected with the jīvas) then appears as the seed of creation (kāma-bījaṁ mahad-hareḥ). Thus the living entities (bodies) make their appearance (imā jātā) by the portion of Viṣṇu impregnating prakṛti (liṅga yony ātmikā) and are known as her offspring (prajāḥ). This powerful puruṣa (śah śaktimān puruṣaḥ) who is a representative of Kṛṣṇa (ayaṁ liṅga rūpī) is actually the supreme lord (māheśvaraḥ). Being Kṛṣṇa's aṁśa (tasminn liṅge), Mahāviṣṇu then appeared with distinct form (mahāviṣṇur āvirabhūḥ) as the master of all living entities in the universe (jagat patiḥ). **Brahma-saṁhitā 5.9-10**

## Srila Baladeva Vidyabhusana

- Previously in the Brahma-saṁhitā it was described that Viṣṇu enjoys with Ramā. Who is she?
- She is subservient to Viṣṇu (niyatā) in that enjoyment.
- Arising from his svarūpa, she never leaves him. Thus it is said that she is most dear and obedient (tat-priyā tad-vaśaṁvadā) .
- Hayaśīrṣa-pañcarātra says na viṣṇunā vinā devī na viṣṇuḥ padmajām vinā: Lakṣmī does not exist without Viṣṇu and Viṣṇu does not exist without Lakṣmī.
- Viṣṇu Purāna says nityaiva sā jagannmātā viṣṇoḥ śrīr anapāyinī: Lakṣmī, mother of the universe, is eternal and never leaves Viṣṇu.

## Srila Baladeva Vidyabhusana

- Bhagavān Śambhu is the expansion of svayaṁ-rūpa Kṛṣṇa.
- He is called the liṅga or representation of Kṛṣṇa.
- Bhagavān refers to the lord of Vaikuṅṭha endowed with the six powers.
- Śambhu means “he who creates good fortune.”
- Appearing as (Saṅkarsana) in the second vyūha he creates the bodies for the jīvas who were previously merged in prakṛti.
- Thus he is called Śambhu.
- His form is knowledge or consciousness (jyoti-rūpaḥ)

## Srila Baladeva Vidyabhusana

- By Śambhu being under Kṛṣṇa's control (being his liṅga), Kṛṣṇa's position as svayaṁ-rūpa can be understood, just as one can understand a bull by seeing his distinctive dewlap.
- Because Kṛṣṇa is the svayaṁ-rūpa with Śambhu (Mahāviṣṇu) as his vilāsa form, Śambhu is called liṅga or his representative.
- She who is the material cause, upādāna, consisting of mahat-tattva and other elements (yonih) is called the inferior śakti, matter made of three guṇas.
- The mahat-tattva (bījam) is the result of Kṛṣṇa's aṁśa Saṅkarṣaṇa (Mahāvisnu) (hareḥ) desiring (kāma) to glance upon māyā.

# Srila Baladeva Vidyabhusana

- Mahat-tattva is prakṛti endowed with the unlimited jīvas.
- The offspring of māyā (bodies of the jīvas) arise from the combination of the glance of Saṅkarṣaṇa (who is called līṅga) and (māyā (yoni)).
- Though the offspring are said to belong to prakṛti (māheśvarī), this is a secondary meaning, since she is dependent on Saṅkarṣaṇa for the creation of bodies. The next verse explains this.
- The puruṣa, possessor of śakti or māyā (śaktimān), the expansion of Kṛṣṇa (līṅga-rūpī) is called maheśvara, the great lord.  
Saṅkarṣaṇa / kav / mahāvisṇu / śaktimān
- Saṅkarṣaṇa (mahāvisṇu) appeared as the controller of prakṛti, given charge by Kṛṣṇa (līṅge).
