Practical Absorption of the Mind

Prabhupada's

KC is not a matter of imaginative ecstasy nor a matter of sentimental speculation Its substance is practical activity."

Dont imitate Raghunath Das Goswami

"Work now Samadhi later"

Spending Night at Radha Kund is on the platform of Visuddha Sattva

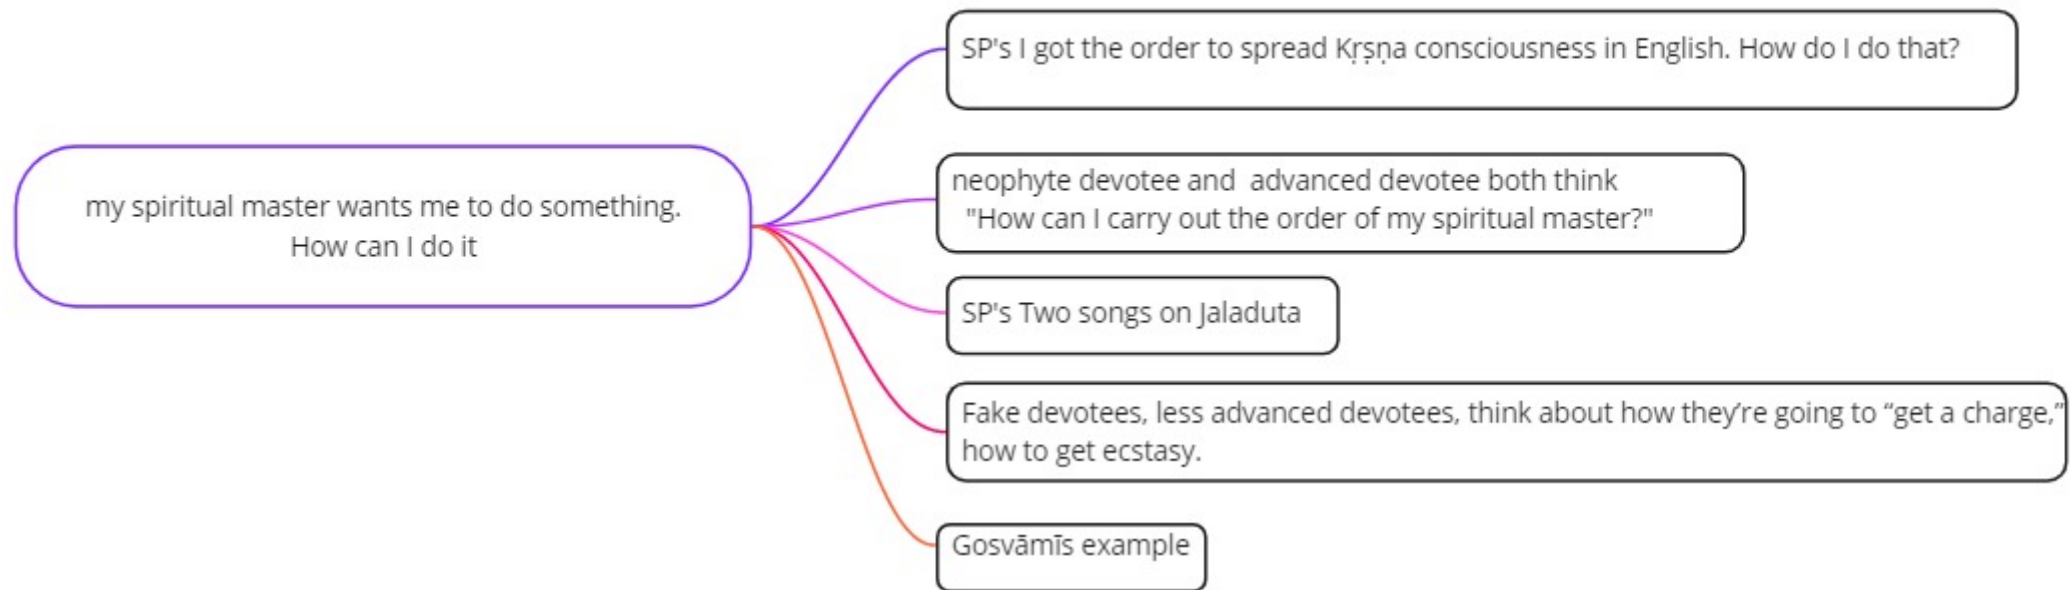

Work now Samadhi Later

Devotee in Mayapur

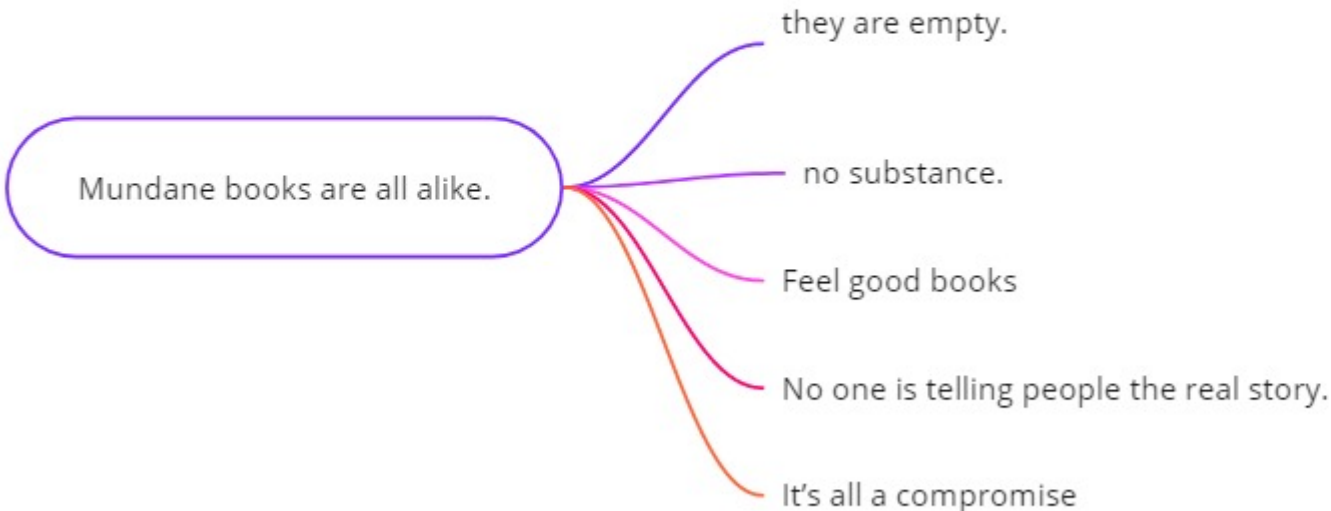

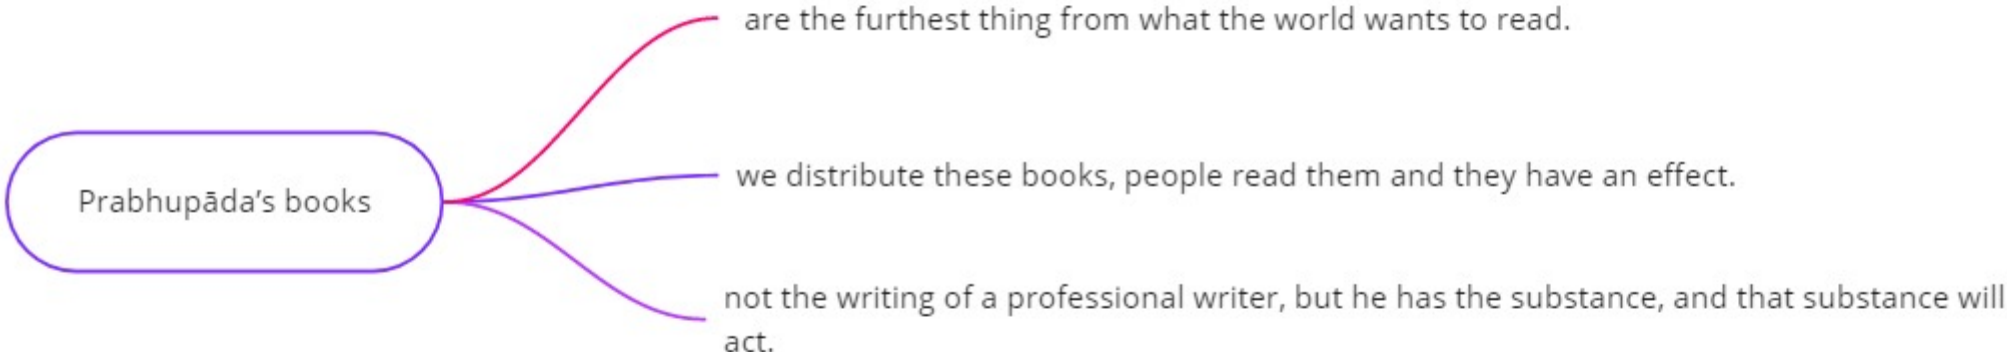

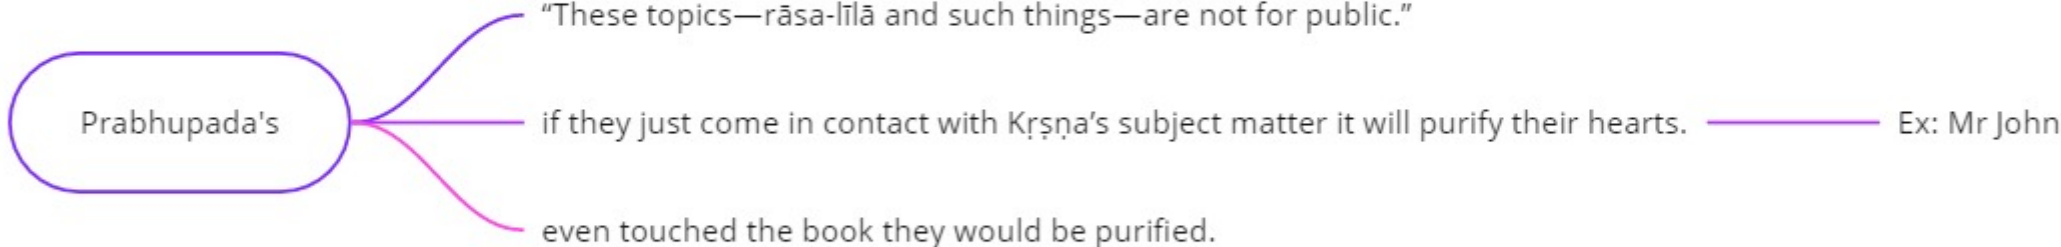

Gurudas p - SP in Vrindavan

Mother Yasoda

Every one in Vrindavan things "What can i do to please Krsna"

Prabhupāda's Books

what the soul wants is substance.

Books are the basis

our whole movement has grown on the basis of books, chanting, and prasādām.

Prabhupāda didn't compromise

"You are fools. You are mūḍhās, you are asses, you are demons. Surrender."

They need to hear that they are wasting their lives.

This is the message, and it acts.

we don't exactly understand how it acts.

Rationally, we might have a more tactful approach.

This Sound has transcendental potency.

remain humble when preaching

We should remember that we are just messengers.

Ex: Uluka

should not think we are better than them.

genuine concern and matter of duty

It's not humility to compromise
