

Bhajana Darpana
by
Çréla Bhaktivinoda Öhäkura
Verse-8

What if we don't have the association of a
very exalted devotee to serve

Krsna by his causeless mercy

1. removes wickedness from the heart
2. Give prema
3. Inspires in my heart the process of worshipping R & K

Kākvā: The helpless, destitute practitioner's
expression that is a humble plea

Devotion that is free of deception is with the attitude that I am extremely
destitute and wretched.

RGS's Śrī Gāndharvā-samprārthanāṣṭakam (Stavamālā)

Śaṭhatā me duṣṭatvam: Cheating and deception are my wickedness

Souls in ignorance and illusion

1. Develop all bad qualities
2. Seek distance from everything related to the Lord.

When souls realize their true position as servants of the Lord,

1. they feel more humble than the straw in the street and
2. gain the intelligence to respect others according to their respective positions.

Take complete shelter of the holy name receive the mercy of Śrī Kṛṣṇa and his beloved devotees.

Ujjvala-premāmṛta: The supremely radiant nectar of love for
Kṛṣṇa - Srngara - rasa

NOD - pure devotional service is
cultivated in five different attachment

1. śānta
2. dāsya ,
3. sakhya
4. vātsalya
5. mādhyura

These five primary relationships are also known as
continual loving attraction, sthāyī-bhāva.

The support in mādhyura-rasa is Kṛṣṇa and his pleasure
potency, and their qualities are the stimulants.

eight symptoms of love (sāttvika-bhāva)
thirty-three emotional waves (vyabhicārī-bhāva).

devotional service in practice is transformed into devotional service
in ecstasy, one develops steady attraction (**sthāyī-bhāva**).

vibhāva,
anubhāva,
sāttvika-bhāva,
vyabhicārī-bhāva
attains the **state of rasa.**
Appearance of Pure Love

Ex : Kṛṣṇa's pastimes with Gopies

Who awaken a strong greed to obtain this rasa should

1. pray continually with intense longing and anguish, and
2. with voices choked with emotion
3. follow in the wake of the gopīs.

Then one obtains Śrīmatī Rādhārāṇī's mercy.

The rays of hlādinī-śakti, heart making this
transcendental rasa visible.
