Śrīmad-Bhāgavatam

Canto One

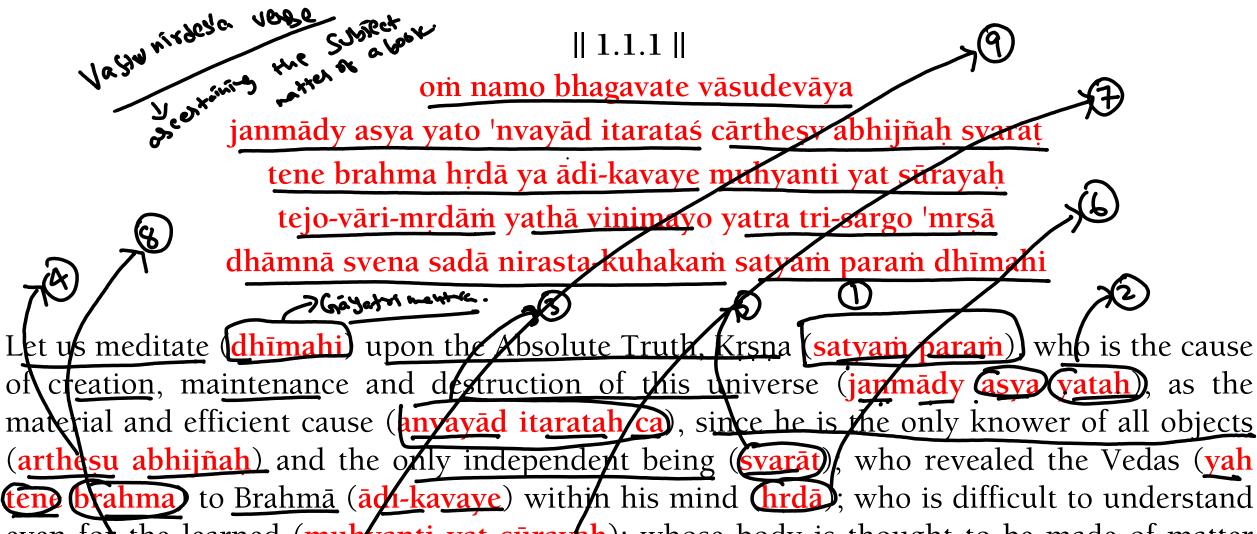

With the Sārārtha-darśinī commentary

by Śrīla Viśvanātha Cakravartī Ṭhākura

Canto One – Chapter One

Questions by the Sages

Section – I

(arthasu abhijñah) and the only independent being (svarāt), who revealed the Vedas (yah tene brahma to Brahmā (ādi-kayaye) within his mind (hrdā); who is difficult to understand even for the learned (muhyanti yat sūrayah); whose body is thought to be made of matter (vatra tri-sargo) due to illusion (tīrsā) just as one mistakes fire, water and earth for each other (tejo-vāri-mṛdām yathā vinimayo); and who negates all false arguments regarding his existence (nirasta-kuhakam) by possessing a transcendental, inconceivable form, and by the strength of devotees' experiencing him though his evarūpa-śakti (sadā svena thāmn).

Explanation-V

Establishing Bhakti as the Vastu of the Book

Let us meditate (dhīmahi) on the most beneficial spiritual process (satyam) which is beyond the guṇas (param),

which brings about the appearance of the Lord (yatah ādyasya janma) as Bhagavān (anvayād) and by which there is realization of brahman and Paramātmā in the processes of jñāna and yoga (itarataś ca);

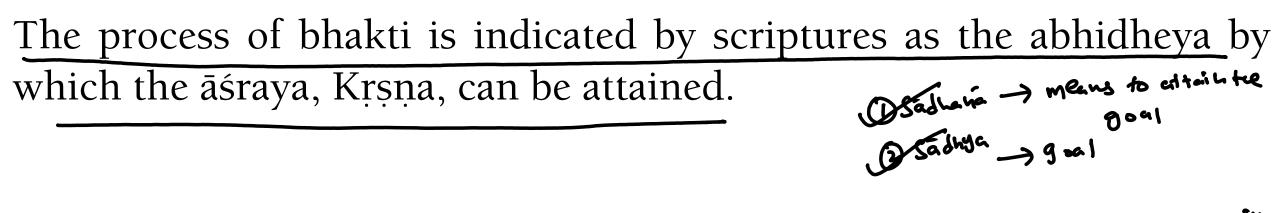

which is complete knowledge (artheşu abhijñab), independent of other processes (svarāt);

which was revealed (yah tene) by Nārada (brahma hrdā) to Vyāsa (ādi-kavaye),

but which is bewildering to even great sages (muhyanti yat sūrayah);

which is not mixed with the three gunas (yatra tri-sargo mṛṣā tejo-vāri-mṛdām yathā vinimayo);

and which defeats its opponents (sadā nirasta-kuhakam) by its very nature of giving direct experience of bliss (svena dhāmnā).

It brings about the highest realization and attracts even Krsna. Where is the free is the providing that then becomes the providing providing the providing that the providing the providing that the providing the providing that the providing the providing

That bhakti then becomes the prayojana, prema

X subjective

Thus bhakti-yoga should also be considered as the subject of this verse.

Because of this, another meaning is included as an essential theme of this verse.

Thus it is said in the Twelfth Canto:

mṛṣā giras tā hy asatīr asat-kathā
na kathyate yad bhagavān adhoksajah
tad eva satyam tad u haiva mangalam
tad eva puṇyam bhagavad-guṇodayam

Words (tā) that do not describe (yad na kathyate) the transcendental Lord (bhagavān adhokṣajaḥ) but instead deal with temporary matters (asatīh) are simply false (mṛṣā giras), harsh and useless (hy asat-kathā). Only those words that manifest the qualities of the Supreme Lord (bhagavad-guṇodayam) are actually truthful (tad eva satyam), auspicious (tad u haiva mangalam) and pure (tad eva puṇyam).

tad eva ramyam ruciram navam navam tad eva śaśvan manaso mahotsavam tad eva śokārṇava-śoṣaṇam nṛṇām yad uttamaḥśloka-yaśo 'nugīyate

Those words (yad) describing (anugīyate) the glories of the all-famous Lord (uttamaḥśloka-yaśah) are attractive (tad eva ramyam), relishable (ruciram) and ever fresh (navam navam). They are a perpetual festival for the mind (tad eva śaśvan manaso mahotsavam), and they dry up the ocean of misery (tad eva śokārṇava-śoṣaṇam nṛṇām). (SB 12.12.49-50)

Taking bhakti as the subject of the verse, param, the best, then means "beyond the three guṇas," since bhakti is another form of the real substance (vāstavavastu).

<u>Satyam</u> refers to bhakti-yoga which is full of the most auspicious qualities beneficial for spiritual practitioners (sat).

Satyam param dhimahi then means "let us meditate on transcendental bhakti-yoga."

laksanam bhakti-yogasya nirgunasya hy udāhṛtam

It is filled (hy udāhṛtam) with the qualities (lakṣaṇam) of bhakti-yoga (bhakti-yogasya), which is beyond the gunas (nirguṇasya). (SB 3.29.12)

na hy angopakrame dhvamso mad-dharmasyoddhavāṇv api mayā vyavasitaḥ samyaṅ nirguṇatvād anāśiṣaḥ

O Uddhava (anga uddhava)! Because I have personally established it (mayā samyag vyavasitaḥ), this process of niṣkāma-bhakti (mad-dharmasya anāsiṣaḥ) is beyond the guṇas (nirguṇatvād). Even by starting and not completing the process (upakrame), there is no destruction of results (na hy aṇu api dhvamsah). (SB 11.29.20)

vijñāna-ghana ānanda-ghanaḥ sac-cidānandaika-rase bhakti-yoge tiṣṭhati

The Lord full of knowledge (vijñāna-ghaṇa) and bliss (ānanda-ghaṇaḥ) is situated in bhakti-yoga (bhakti-yoge tiṣṭhati) which is also eternity, knowledge and bliss (sac-cid-āṇanda-eka-rase). (Gopāla-tāpanī Upaniṣad 2.78)

Then the power of bhakti is described.

From bhakti (yataḥ) there is an appearance (janma) of the Supreme Lord (ādyasya) in the worshippers as Bhagavān.

As well, by the association of bhakti (anvayāt) there is realization of the Supreme Lord as brahman and Paramātmā in other processes (itarataḥ artheṣu) — niṣkāma-karma-yoga, jñāna-yoga and aṣṭāṅga-yoga.

Porus-Parso aggnera

"But it is well known that cultivation of pure jñāna alone gives realization of brahman."

No. The Supreme Lord is jñāna in complete form (abhijñah).

Because jñāna is in the mode of sattva only, without the association (anvaya) of bhakti, there can be no realization of brahman or Paramātmā.

Thus it is said:

JUELE KONNE SENNYESE KONNE SENNYESE naiṣkarmyam apy acyuta-bhāva-varjitam na śobhate jñānam alam nirañjanam kutaḥ punaḥ śaśvad abhadram īśvara na cārpitam karma yad apy akāraṇam

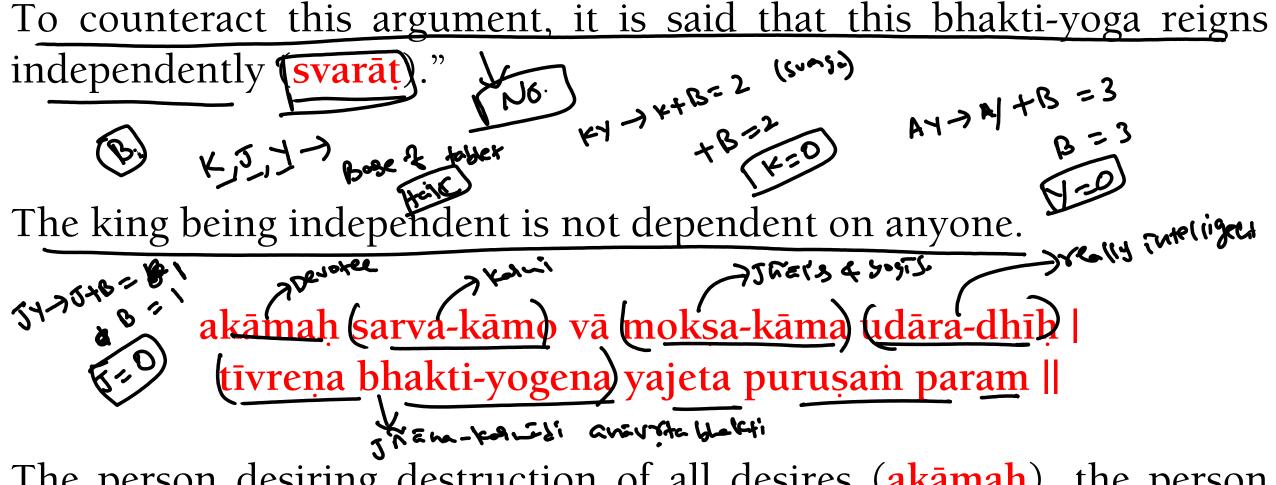

Even the stage of jñāna without the bondage of karma (naiṣkarmyam jñānam apy) is not glorious (na śobhate) if it is devoid of bhakti to the Supreme Lord (acyuta-bhāva-varjitam). What is the use of having destroyed ignorance (alam niranjanam)? What then to speak of sakāma-karma which causes suffering, both during practice and at the stage perfection (kutaḥ punaḥ śaśvad abhadram), and niṣkāma-karma (yad apy akāraṇam karma), when not offered to the Lord (īśvare na **ca arpitam**)? (SB 1.5.12)

b<u>haktyā mām abhijānāti yāvān yaś cāsmi tattvata</u>ḥ tato mām tattvato jñātvā viśate tad-anantaram

Only by bhakti can a person know Me as Brahman (bhaktyā mām abhijānāti yāvān yaś cāsmi tattvataḥ). Then, knowing Me as Brahman by that bhakti (tato mām tattvato jñātvā), he merges with Me (viśate tad-anantaram).

(BG 18.55)

"Jñāna-yoga, for realizing brahman, is dependent on bhakti, and bhakti, for realizing Bhagavān, is dependent on jñāna."

The person desiring destruction of all desires (akāmaḥ), the person with all desires (sarva-kāmo vā), and even the person with an intense desire for liberation (mokṣa-kāma), if he has good intelligence (udāra-dhīḥ), will worship the Supreme Lord (yajeta puruṣam param) with pure bhakti (tīvreṇa bhakti-yogena). (SB 2.3.10)

Tivrena bhakti-yogena means "by pure bhakti."

Bhakti should remain unmixed with jñāna or other elements, just as the sun's rays remain untouched by the clouds.

yat karmabhir yat tapasā jñāna-vairāgyatas ca yat yogena dāna-dharmena śreyobhir itarair api sarvam mad-bhakti-yogena mad-bhakto labhate 'ñjasā svargāpavargam mad-dhāma kathañcid yadi vāñchati

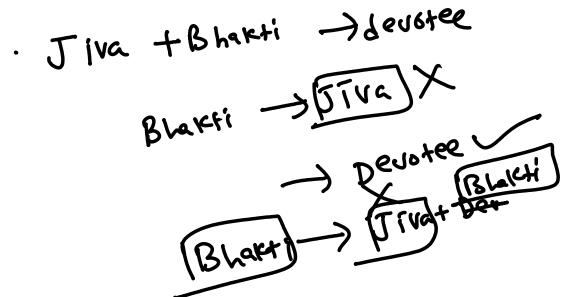

Everything that can be achieved by fruitive activities, penance (yat karmabhir yat tapasā), knowledge, detachment (jñāna-vairāgyataś ca yat), mystic yoga, charity, religious duties (yogena dāna dharmena) and all other means of perfecting life (śreyobhir itarair api) is easily achieved by My devotee (sarvam mad-bhaktah labhate 'njasā) through loving service unto Me (mad-bhaktiyogena). If somehow or other My devotee desires (kathañcid mad-bhaktah yadi vānchati) promotion to heaven, liberation, or residence in My abode (for service) (svargāpavargam mad-dhāma), he easily achieves such benedictions (sarvam anjasā labhate). (SB 11.20.32-33)

On the other hand mixed bhakti is prohibited for devotees:

tasmān mad-bhakti-yuktasya na jñānam na ca vairāgyam prāyah śrevo LL Therefore (tasmād), for a devotee engaged in bhakti (madbhakti-yuktasya yoginah), with mind fixed on me (madātmanah), the cultivation of knowledge and renunciation (jñānam ca vairāgyam) is generally not beneficial for bhakti (na prāyah śreyo bhaved iha). (SB 11.20.31)

However such pure bhakti cannot be attained without the mercy of devotees.

This is next stated in the verse.

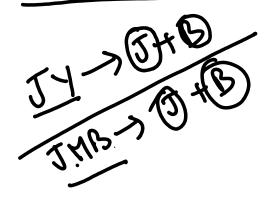

That bhakti was revealed (tene) by mercy to Vyāsa (ādi-kavaye) by Nārada, who has Brahman (Kṛṣṇa) in his heart (brahma-hṛdā).

"But how can we understand that even omniscient Vyāsa's knowledge of bhakti is dependent on another person (Nārada)?"

Even the sages such as Vasiṣṭa are bewildered about bhakti-yoga which is beyond the guṇas.

Because it is impossible for minds and intelligences generated from the gunas, to understand by themselves about bhakti-yoga without the mercy of devotees, those persons only attain ignorance (muhyanti).

This is mentioned in the Hamsa-guhya prayers:

yac-chaktayo vadatām vādinām vai vivāda-samvāda-bhuvo bhavanti kurvanti caiṣām muhur ātma-moham tasmai namo 'nanta-guṇāya bhūmne

I offer respects to the great Lord of eternal qualities (tasmai namah ananta-guṇāya bhūmne), whose material energy (yat-śaktayah) is the cause of agreement and disagreement (vivāda-samvāda-bhuvah) among those who make philosophies and then argue with others (vadatām vādinām), and whose material energy continually bewilders them as to the real nature of ātmā (kurvanti eṣām muhuh ātma-moham). (SB 6.4.31)
