

# Why Am I Troubled by MISCONCEPTIONS!?

(1)

**My present reality — my very existence — is based on misconception. And I'm living it firmly convinced that I'm dealing with real life, I know what I'm doing and I'm in control of things. How can that be possible!!!!?....**

(2)

**I'm carrying a mountain of excess baggage — baggage I don't really need. And it's preventing me from seeing — and dealing! — with real life on real terms. Such excess baggage includes:**

- my false ego
- the contaminated consciousness born of that
- my faulty intelligence
- my troublesome mind and senses
- the modes that govern me
- the karmic reactions entangling me
- etc, etc, etc!
